- The before and after school aftercare programs start the week of August 27, 2015.
- Before school care and after school care plans are not available to toddlers.

Please note: We have limited space available for aftercare. If you sign up, you will be billed monthly.

Also note the late pick-up policy in the Parent Handbook regarding regular pick up times. If you anticipate even occasional late pick-up after school, we strongly encourage you to use our monthly contract to help us facilitate staffing and optimal care for your children. The contract is a significant savings verses late pick-up fees.

If you need infrequent before or after school care, we must receive drop-in requests as far in advance as possible, and at least 24 hours in advance. Drop-in care is available only if space is available.

Your Signature below indicates you have read and understand the terms and conditions of this childcare contract and agree to these terms and conditions.
