

GENERAL GATE GUIDELINES AND EXPECTATIONS

- Refrain from Cellphone use and any other technology you or your family may use in the car.
- Enter your respective parking lots/drive through areas SLOWLY[5mph]
- Stay in the drop off line. Do not try to drive around the line. [Especially Toddler families]
- Once in line, begin preparing your child/ren for getting out of the car; backpacks ready, seat belts undone, food put away, etc.
- Teachers will greet you once you are stopped and in the exit/entry spots, open the door, assist your child/ren out of the car, escort them to the gate and into the campus grounds.
- DO NOT get out of your cars once you are in the parking lot.

We want to encourage families to walk, ride bikes, or park and walk your child/ren into school. If you choose to do this there are some guidelines:

- Bikers dismount when you enter the Jarrow property, stay on sidewalks when you can [upper gate] and walk bikes to the Gate area, sign in, and then park bikes in designated spots.
- Walkers; you can sign children in at the Gate area ONLY, there will be a designated person for this, please don't ask teachers working the car line to do this as it slows the process down and congests the sidewalks. You can leave them at the gate to walk on their own to class, or walk them into their classroom.

ATTENTION UPPER GATE PARK AND WALK FAMILIES- to ensure utmost safety we are not allowing parents to park in the upper parking lot at gate time. We ask that you park on the street and walk to gate on the sidewalks. **YOU CANNOT PARK ON THE WEST SIDE OF ORANGE COURT DURING SCHOOL HOURS.** Please be aware of parking signs in the neighborhood. There have been too many near misses with people walking across gate traffic and backing into cars in gate line. Thank you for your compliance to this new policy.

PLEASE REFER TO GATE TIMES DOCUMENT FOR SPECIFIC PICK-UP AND DROP-OFF TIMES AND PROCEDURES FOR YOUR STUDENTS.
