- NOTE! The before and after school childcare programs **begin Monday, August 26, 2019** and end the last full day of school, Thursday, May 21, 2020. **No childcare is provided on the last day of school (½ day Friday, May 22nd, 2019).**

Regular before and aftercare is not available during teacher in-service days and conference days. Please see the In-Service & Conference Day Childcare Contract to sign your child up for care during the available dates. Before and aftercare is never available on holidays. Because our before and aftercare contracts are provided at a significant discount over the daily drop-in rate, no credits are given for holidays, in-service or conference days, or school breaks.

In the case that your child participates in an enrichment class on the day(s) he/she is signed up for aftercare, a credit will be provided for the day(s) in which he/she does not attend if you pick your child up directly after the enrichment class is over. If your child goes to aftercare after the enrichment class, you will be charged the full aftercare fee. (We must hold this space for your child, which prevents us from offering it to another.)

Please note: We have limited space available for aftercare. If you sign up, you will be billed monthly in advance. Please consult Courtney Laurell courtney.laurell@jarrow.org regarding any changes to your contract prior to the last week of the month.

Also, note the late pick-up policy in the Parent Handbook regarding regular pick up times and fees associated with late pickup. This policy applies to aftercare, as well as regular pickup times. The fee for late pickup is \$20 per 15 minutes.

If you need infrequent before or after school care, we must receive drop-in requests as far in advance as possible. Drop-in care will be granted only if space is available.
