- The after-school aftercare programs for toddlers will begin Monday, August 26, 2019, and end the last full day of school, Thursday, May 21, 2020. No childcare is provided on the last day of school (½ day Friday, May 22nd, 2020).

Regular aftercare is not available during teacher workdays, professional development days and conference days. Childcare during regular school days will be available. Please see the In-Service & Conference Day Childcare Contract to sign your child up for care during the available dates. Aftercare is never available on holidays. Because our aftercare contracts are provided at a significant discount over the daily drop-in rate, no credits are given for holidays, professional or conference days, or school breaks.

Please note: We have limited space available for aftercare. If you sign up, you will be billed monthly in advance. Please consult Courtney Laurell courtney.laurell@jarow.org regarding any changes to your contract prior to the last week of the month.

Also, note the late pick-up policy in the Parent Handbook regarding regular pick up times and fees associated with a late pickup. This policy applies to aftercare, as well as regular pickup times. The fee for late pickup is \$20 per 15 minutes.

If you need infrequent after school care, we must receive drop-in requests as far in advance as possible. Drop-in care will be granted only if space is available.
